

USA Powerlifting™ (formerly ADFPA) Membership Application • PO Box 668., Columbia City, IN 46725

(260) 248-4889 • (260) 248-4879 fax • www.adfpa.com • www.usapowerlifting.com

Conditions Of Membership: As a condition of membership to USAPL, I agree to follow and obey all rules, regulations, and drug testing procedures of USAPL. I further agree that the rules, regulations, and drug testing procedures are subject to change at any time and that I agree to obey any new or changed rules, regulations, and drug testing procedures as a condition of continued membership. I agree that my membership may be revoked temporarily or permanently, suspended, and/or denied for my failure to obey USAPL rules, regulations, and drug testing procedures. I will voluntarily submit to any drug testing procedure that USAPL has approved in its rules, regulations, and drug testing procedures. If I do test positive for a banned substance, I agree that the results of the test are conclusive, and I further agree to accept the consequences of that positive test regarding my membership.

As a condition of membership to USAPL, I understand and accept that I am prohibited from using any substance or doping method that is banned by the United States Olympic Committee. It is my sole responsibility to stay current with any USOC banned substance or doping method, including those most recently banned. I further accept sole responsibility for what I take into my body and that should I consume a banned substance unknowingly, and test positive for that banned substance, I shall be solely responsible for the consumption of that banned substance and shall accept the results and consequences of that test.

If I am suspended from membership for any reason, including testing positive for a banned substance or doping method, I permit USAPL to publish my name as a suspended member and/or a member who is suspended for testing positive for a banned substance or doping method on the Internet, in *Powerlifting USA*, or any other publication that USAPL so chooses.
